

Sponsorship Opportunities

Thanks so much for your interest in supporting the show! We are looking for community supporters to help us bring this vision to life, and we have three ways you can get involved.

Front of House Sponsor – \$100

We believe in supporting artists of all kinds. By choosing this level, you aren't just a donor—you are a patron of the arts. Your entire **\$100 sponsorship fee goes directly to a participating artist for one night's performance.** You can hand-pick the artist you'd like to support, or we can help match you with one. Either way, you're doing us and the creative community a huge service by ensuring our talent is compensated for their work.

Backstage Sponsor – \$150

While we plan on keeping the productions lean, putting on a quality show is never free. This sponsorship covers our essential operating costs, such as equipment rentals, publicity, and venue fees.

We believe in full transparency: we maintain a detailed budget for every dollar spent, which will be available once the show wraps. As a thank you, your name will be featured in our official program's sponsor list.

Sugar Momma / Sugar Daddy – \$300

For those who want to make an even bigger impact, this tier offers the highest level of support for the production. In addition to our gratitude and a listing in the program, you will receive a **half-page advertisement** in our show program to promote your business or share a personal message.

Thanks again for considering!
